Race Information

Dear Competitors, thank you for entering the 360 Marina 5k, sponsored by Mumbles Brewery. The Swansea Trotters, the Swansea University Athletics, Cross Country & Triathlon Alumni Association, wish you all the best and hope you have an enjoyable race. We will be holding a minutes silence before the start of the race, following the tragic news of the passing of former Swansea University Athletics & XC Club member, Oliver Davies, as an opportunity to remember a fellow graduate, teammate and friend.

Numbers – Please collect your numbers from the 360 Watersports Centre, Mumbles Road, Swansea, SA2 0AY, on Saturday 14th of March from 9:30am. Please ensure your race number is secured on the front of your vest/t-shirt so it is clearly visible to the officials during the race and at the finish.

Start and Finish – The race starts and finishes just outside the 360 Watersports Centre.

Course – The course is an out and back route heading east from the 360 Watersports Centre heading towards Swansea Marina and back. See course map below. Please take care and respect other members of the public as the race does not have right of way. Also please keep to right hand side of the path during the race to avoid collisions with oncoming athletes.

First Aid – St. John's Ambulance will be on duty during the race to offer medical assistance if required. If you are feeling unwell or sustain an injury please notify the nearest marshal or first aider. If you see someone in trouble en route, please inform the next marshal you see so that help can be arranged.
